<https://cpaquebec.ca/en/students-and-future-cpas/how-to-become-a-cpa/academic-prerequisites/>

1. Desautels GCPA (full-time program)
2. National on-line program
3. Graduate programs at other Quebec universities or other schools in Canada

1. Financial Acct
2. Mgmt Acct
3. Strategy & Governance
4. Audit & Assurance
5. Taxation
6. Finance

1. Professional & Ethical

On Day 2 of the CFE, students assume different "roles" (auditor, tax advisor, finance, performance measurement (controller))

Which Electives you choose will determine which role you will write

At Desautels currently        the Auditor role

For other roles need to look at other programs

Available across the country. In Montreal offered through UQAM in English.

Each module (Core 1, Core 2, etc.) is an 8 week session done on-line with 1 weekend "face-to-face".

Will start at different times during the year (at least 2x).

<http://cpaquebec.ca/en/becoming-a-cpa/education/national-program-delivered-by-the-order/>

Takes 2 years to complete

to start at McGill and then transfer to the National Program depending on where in the program you are.

i.e. move or get a job in another province

         to start in the National Program or another university's PEP and then transfer into McGill.
