

In the **Find a Health Professional screen**, press on **Please select a health professional type** to bring up a list of all Health Professional types. Choose the type you are inquiring about. Press **Search** at the bottom of the page once all desired parameters are entered:

▼ **. Review** the results to verify if the professional is listed or not. Use the arrows left and right of the professional's name when multiple results are provided:

DISCLAIMER: please note that some health professionals that are listed are not covered under McGill's IHI plan. If unsure, please verify with Medavie Blue Cross or ISS if a specific health professional is covered under the IHI plan.
