

# The Frugal Scholar's Path to Financial Wellness

Step two: **Budget Plan by Year** (grey tabs)

Now that you have thought about the cost of studying at McGill and living in Montreal, you can prepare your Budget Plan by month for each year of study. The sheet is designed to cover the duration of your degree, from three to five years depending on your program. You can delete any extra tabs if there are more than you need. To add an additional tab, left click on the tab itself and select the 'copy' option. To rename the tab once it has been copied, left click on the tab

1. Select the cell that you want to copy. When you select the cell, it will be outlined in dark green, with a small square in the bottom right hand corner.

2. When you hold your cursor over the green square, a black cross will appear.
