

ENHANCING STUDENT WELLNESS: SIMPLE TIPS FOR INSTRUCTORS

CREATING CONNECTIONS

Social connections and support are critical for wellness; here are tips for creating connections and decreasing isolation:

MEETING NEW PEOPLE

Use breakout rooms to randomly assign pairs of students to engage in a 5-minute conversation with a guiding question.

The conversation should be social in nature (e.g., meeting someone for the first time), so steer clear of COVID-19 related questions.

INCREASING WELLNESS

(RIGHT HERE, RIGHT NOW)

It only takes a moment to experience a little bit of wellness; here are some tips for bringing wellness into your class for both you and your students:

POSITIVE SHARE

Invite students to share a picture of something that makes them feel good.

Make sure to provide stu

SHARING RESOURCES

McGill offers many wellness resources and you can help make students aware of them; here are some links to resources you can share with your students:
